

# Rurumappu Natural Park Freland

A nature park with activities in Eniwa

In summer, camp without having to bring any gear, to prepare or to clean up. In winter, enjoy snowmobile/banana boat rides on the snow and jingisukan barbecue in an igloo. A field for snowball fights is available from this year. The natural splendor of Hokkaido can fully be enjoyed here.

◇Address: Nishishimamatsu 275, Eniwa
