

# Forest Adventure Eniwa

Forest Adventure, a nationwide chain of outdoor theme parks, has launched its first facility in Hokkaido.

This facility opened in Eniwa in the spring of 2018.

In the green season from mid-April to late November, the “Adventure Course,” the “Canopy Course” and the “Kids Course” are available. These are designed for people of all ages to enjoy themselves.

In the winter season, from early December to mid-April, there are ziplining tours. Glide along a 200-meter zip line through a snow-covered forest.

Accompanied by an instructor, even children who just satisfy the requirement for the Canopy Course (at least 100 cm tall) can enjoy it.

This is an enjoyable facility all year round. We look forward to your visit.
