

Amiche International participatory activities

(Amiche International Inc.)

Amiche International Inc. is a travel agency that creates programs of participatory activities for inbound visitors to Ishikari.

The Ishikari Culture Walk, a tour of historical buildings in Ishikari, is available, as are the Cherry Picking & Onsen Tour, the Japanese Tea Ceremony Experience and other participatory programs.

An English-speaking guide will accompany participants in all programs, so there's no need to worry about communication issues.
